

The Whiptones

Doo Wop A Cappella Quartet

Dear Event Coordinator,

We would like to introduce you to **The Whiptones** for your consideration for musical engagements and special events at your facility. The group began as four high school teens from Whippany, New Jersey. We have been performing a cappella doo wop over the past four years to rave reviews. Our blend of vocal harmony is energizing, bringing new life and passion to the golden oldies...and smiles to generations of fans.

The Whiptones have performed for thousands of people at famous venues such as the IZOD Center, Beacon Theatre, PNC Bank Arts Center, and Mohegan Sun Arena. Our music has aired on radio stations up and down the east coast. We have entertained at private birthday parties, anniversary parties, public car shows, and community events. Most recently, we were selected to sing the National Anthem on Opening Day 2014 at Citi Field for the New York Mets.

The Whiptones are available to perform a custom set tailored to your needs or an informative forty-five minute "walk down memory lane" tribute to the music of the 1950's and 1960's. Selections of our performances can be viewed online at www.youtube.com/TheWhiptones.

Enclosed please find our press kit with more information. If you have any questions, do not hesitate to contact us through email thewhiptones@gmail.com or by telephone to Brad Ritschel at [973-896-5047](tel:973-896-5047).

We welcome the opportunity to work with you. Thank you in advance for your time and consideration.

Sincerely,

The Whiptones

Mike, Matt, Derek, and Brad
